Engineered Filtration, Inc

High Pressure Filters

Multi-Use Compact Inline Filters
In-Line Filters Up To 6,000 PSI
Cartridge Filter Housings Up To 20,000 PSI
Aluminum & Stainless Steel Housings
Precision Filter Discs, 10-150 Micron Abs.
Replacement filter elements
Norman, Chase, 3B, and etc..

ARGO
HYTOS

Suction Filters
Return & Return-Suction Filters
Pressure & High Pressure Filters
Filling & Ventilating Filters
Offline / Portable Filter Systems
Portable & Stationary Oil Diagnostic

Coolant Pumps
Cutter Pumps For Chopping Chips
Immersion Pumps - Semi-Open Impellers
Immersion Pumps - Closed Impellers
Miniature Centrifugal Pumps
High Pressure Screw Pumps

Roll Filter Media

Polyester, Polypropylene, and Blended Medias

Available from 5-75 micron

Standard Widths in stock

Compressor Air / Oil Separators

Compressor Lube Oil Filters

Compressor Air Intake Filters

Compressor Lubricants

Compressed Air Coalescing Filters

Filter Bags

Simplex Or Duplex Design

Aluminum Bag Filter Housings

Carbon Steel Bag Filter Housings

Stainless Steel Bag Filter Housings
